PROFESSIONAL SUMMARY

Highly motivated BCA student with a strong foundation in Python, C++, and frontend web technologies. Currently working as a Full Stack Intern, building responsive and practical web solutions with a focus on real estate and commercial project layouts. Passionate about problem-solving and software development.

EXPERIENCE

SGTYUG Technology Private Limited (SGT Technologies)

3 Months

Full Stack Intern

- Designed and developed **sonashri.in**, a commercial website for a construction client.
- Structured and built out dedicated project pages, including layouts for an 8-story commercial project in Rewa using WordPress and Elementor.
- Contributed to the development and responsive UI design of **oksagt.com**.
- Applied responsive design principles using HTML, CSS, and JavaScript to enhance user experience across devices.

PROJECTS

Sonashri Website (<https://sonashri.in>)

Live commercial project developed for a construction client, featuring responsive layouts and modern UI.

Oksagt Website (<https://oksagt.com>)

Live company website showcasing services, built with a focus on responsive UI design.

Finance Dashboard UI

Designed and developed a responsive financial user interface focused on data visualization.

Portfolio Website

Personal showcase project highlighting web development skills and professional background.
